Run with Courage!

The idea for this race 16 years ago came from a young mother in our community who was disturbed by the story of a young child who died from abuse. She wanted to do something to help end child abuse. Over the years, the race has grown into the **Run with Courage**, held in April with a superhero theme and hundreds of participants!

With your help, through its nationally accredited children's advocacy center and Court-Appointed Special Advocate (CASA) programs, Judi's Place for Kids works to prevent and end child abuse in Pike, Floyd, Johnson, Martin, and Magoffin Counties.

Why is the race "**Run with Courage**" and why a superhero theme? Because it takes courage for children to tell about abuse they are experiencing, and it takes courage for caring adults to report abuse. It also takes a team of everyday superheroes to help children and their caregivers get on a path to healing;

- Law enforcement officers
- Child protection workers
- Prosecutors
- Forensic interviewers
- Medical personnel
- Victim advocates.

But we honor most of all the courage of the survivors, the children who share their stories with us. When you support the Run with Courage, you let these children know that they are not alone!

Please take a moment to consider the available sponsorship packages. Your support ensures a successful event and helps Judi's Place for Kids continue as a bright solution for abused children.

All sponsors will receive a certificate to display to let your customers know that you care about the children of our community. We will also provide flyers and print brochures to encourage your employees and customers to register. Groups and businesses will be recognized at the event for their number of participants and total funds raised.

Thank you for caring about the children in our community!

About the Race

The Run with Courage is not only a race for runners. In addition to the 5K route, there is also a 1-mile fun walk option and a kids fun run after the event. We will also honor some of the everyday heroes in our community during the awards ceremony through the One with Courage awards. We will have a costume contest and live entertainment before and after the event. It is truly a family friendly event for the whole community.

This year's event is **Saturday, April 9, 2022** and begins at **9 a.m.** Registration starts at **7 a.m.** at the **Pikeville City Park**.

CHIP TIMING AND ONLINE REGISTRATION

This year's event features professional chip timing by Appalachian Timing Group. Online registration for sponsors and teams is streamlined this year through runsignup.com/runwithcourage

T-SHIRTS

Pre-registration and taking advantage of group discounts is highly encouraged. Participants registered by **March 27** are guaranteed a T-shirt in their size. Only a limited number of additional T-shirts will be ordered. Finisher medals will be provided for 5K completion again this year.

SUPERHEROES - SPIRIT OF THE RACE

We encourage everyone at the race to DRESS AS YOUR FAVORITE SUPERHERO! When you help children, YOU are a superhero!

This year, race participants will be encouraged to utilize online peer to peer fundraising to generate additional funds. These funds enable us to provide specialized services provided by professionals and trained volunteers who make an impact in the lives of hundreds of children. It is easy to raise additional funds through runsignup.com.

YOUR SUPPORT MAKES THE DIFFERENCE!

While we can't share the exact stories of the children, we can share what their caregivers say about what they appreciated the most about Judi's Place for Kids in 2019.

What did you appreciate the most about your experience at the Center?
